**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I believe we need to have a competitive provider. As a private consumer, I feel that dismantling key components of the 1996 Telecommunications Act will hurt me:

1. Going back to ATT will lower my speeds and force me to pay more. I get 6x times for same price with Sonic as well as the fax line.
2. ATT customer service is very inferior to what I have (Sonic)

Please say NO to dismantling key components of 1996 Telecommunications Act and allow me to use Sonic. ATT has not done a good job serving people/consumers and they are desperate to do this like that to keep their customers. Please do not let them do that.

Thanks,

Vadim Milman
